Agriculture and Natural Resources

*James City County Williamsburg
Master Gardeners*

Historic Triangle Learning Garden

430 lbs

of fresh produce from the fall
harvest donated to FISH and
House of Mercy.

*Guided by Kim Silver-Perry and Renee
Kingan, leads on the food security team.*

Understanding that knowledge is power, we place that power in the hands of Virginians and help them learn how to use it to improve the quality of their lives. Our Extension agents and specialists form a network of educators whose classrooms are the communities, homes, and businesses of Virginia, where they bring research-based solutions to the problems facing Virginians today.

Agriculture and Natural Resources

James City County Williamsburg Master Gardeners

Water-Wise Low Maintenance Demonstration Garden

A variety of hardy, native perennial plants that are tagged and identified for "Water Smart" gardening education, located at the Human Resources Center on Olde Towne Road.

Embryology

4-H Embryology Project is available to schools this spring.

Program made possible through a grant from Virginia Agriculture in the Classroom.

Contact nealcynw@vt.edu to bring this program to your school or classroom!
