### JCC/W Master Gardeners

Master Gardeners celebrate 11 years of delivering gardening curriculum at Blayton's Garden, a learning garden at J.B. Blayton Elementary School.

Understanding that knowledge is power, we place that power in the hands of Virginians and help them learn how to use it to improve the quality of their lives. Our Extension agents and specialists form a network of educators whose classrooms are the communities, homes, and businesses of Virginia, where they bring research-based solutions to the problems facing Virginians today.
