JCC/W Master Gardeners

Master Gardeners guide hands-on
learning experiences with students at
Mattey's Garden, a learning garden at
Matthew Whaley Elementary School.

Family and Consumer Science: Family Focus

AI's Pals Intergenerational
Program teaching kids to make
healthy choices.

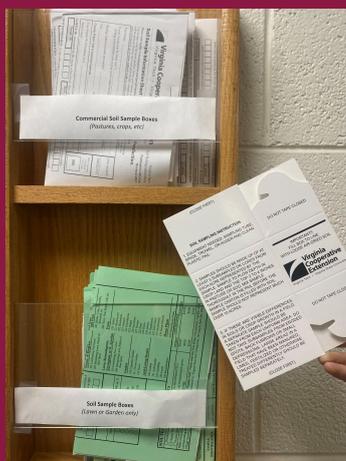

Understanding that knowledge is power, we place that power in the hands of Virginians and help them learn how to use it to improve the quality of their lives. Our Extension agents and specialists form a network of educators whose classrooms are the communities, homes, and businesses of Virginia, where they bring research-based solutions to the problems facing Virginians today.

Agriculture and Natural Resources

Get to know your SOIL!

Soil sample test boxes available at the Virginia Cooperative Extension office, in James City County.

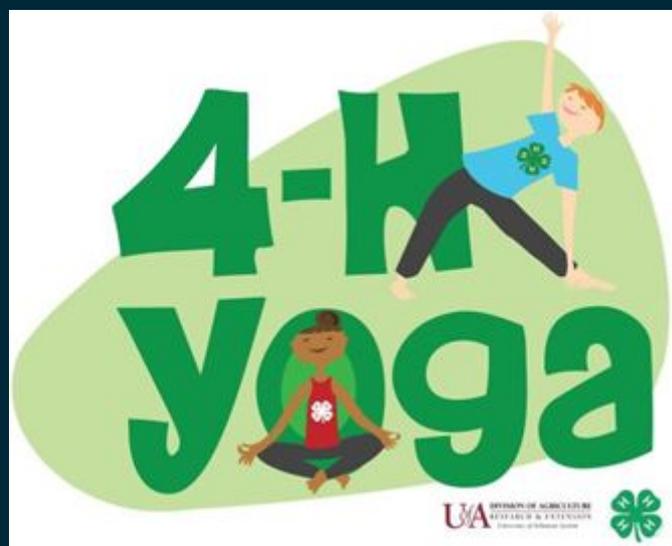

4-H YOGA
NOW AVAILABLE

Bring 4-H Yoga to your school, organization, or community event. A great way to practice relaxation and healthy living habits.

Contact nealcynw@vt.edu to schedule your event.
